

Sunday School

We offer Sunday School for k-12th graders, September-May, from 9am-9:45am. The youth are invited to engage the stories of the Bible through stories, music and crafts. The K-4th Graders meet with our Sunday School Teacher, Michelle Dugan and the 5th-12th graders meet with Pastor Leah. We hope you will join us!

Students will grow together through comprehensive Bible study, application of Bible lessons to everyday discipleship, and a variety of age-appropriate activities. On the first Sunday of the month the children do the ushering and partake in Communion.

In addition to Sunday School our children participant in Valentine's Sunday, Pumpkin Sunday to raise money for Unicef, Advent Workshop, a Christmas Program and an Annual Easter Egg Hunt.
